**PRODUCT DESCRIPTION**

Facet's sweeping lines, arresting angles, and a brilliant lack of symmetry result in a totally unexpected design. Its socket housing morphs into a stem that is uniquely horizontal in nature. Concealed wiring and sleek trac adapter complete the ultra-clean appearance. Facet's sculpted form is as much a work of art as it is a trac fixture.

Facet uses high-quality, die cast aluminum construction and is available in attractive white and black finishes.

**Line Voltage PAR20**

**Construction** Die cast aluminum housing.

**Lamp** 120V, 50W maximum PAR20 medium base.

**Socket** Medium base porcelain with nickel plated copper screw shell.

**Juno Universal Trac Adapter** Compatible with Juno Trac-Master 1 or 2-circuit systems or Juno Trac-Lites system • Unique, attractive conical-elliptical shaped trac adapter • Copper alloy contacts provide precise spring action - no arcing and will not take a set • True, positive electrical ground • On/off switch included • Patented embossed polarity arrows on bottom of adapter • Spring-loaded positive latch with embossed polarity arrows secures trac light to trac • Two-position power contact provided for two-circuit application.

**Alternate TEK Trac Adapter** Compatible with Juno TEK trac system • System specific and assembled to trac fixture • Integrally polarized construction to prevent reverse installation – only allows insertion in proper orientation • Rotary circuit selector enables simple switching between circuits • Integral on/off switch enables individual fixtures to be switched for servicing.

**Aiming** 360° horizontal rotation • 90° vertical aiming capability.

**Labels** UL and C-UL Listed.
