

LED Vanity Collection

See Yourself in the Best Quality Light

Brighten Up Your Space with Attractive, Efficient Vanities

- Hospitality
- Assisted Living
- University
- Multi-family
- Residential
- Commercial

DESIGN

The LED Vanity Collection delivers elegant and contemporary lighting designs to compliment your bath and powder room décor with the energy efficiency and cost savings of integrated LED technology.

LIGHT QUALITY

We know quality illumination is key in vanity applications, so we have designed our LED Vanity collection to provide the high-quality, even illumination you need.

ENERGY SAVINGS

It is an easy renovation decision—replacing your existing traditional sourced light fixtures with integrated LED will give you instant energy savings.

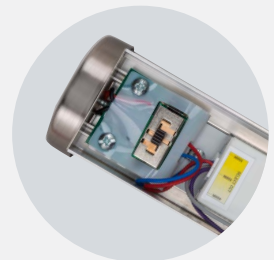

MAINTENANCE

With a 50,000 hour maintenance-free life, you can stop changing traditional bulbs and start enjoying your bright, new space.

Switchable White

The innovative Switchable White feature incorporates a switch on each fixture for simple color temperature adjustment. Too warm or too cool? Simply toggle the integrated switch to the 3000K (factory default), 3500K or 4000K setting before installing and you are done! Whatever your application, luminaires with Switchable White are sure to give you the feel and flexibility that you need.

Contemporary Cylinder Vanity with Switchable White

Vanity Application Guide

Backplate on the 2', 3' and 4' contemporary vanities can be removed for a low-profile design

Design Tip

Use a 1-foot vanity fixture as a decorative LED sconce to add dimension and brighten up your hallways, lobby and living spaces.

LED Vanities by Lithonia Lighting® feature long life and excellent color to ensure a quality, low-maintenance light installation that enhances both your décor and the functionality of your space. The smooth acrylic diffuser provides even illumination and improved aesthetics by softening the appearance of the LEDs. Convert to LED and start seeing yourself in the best light.

Features include:

- Unique, Switchable White color temperature changing feature or 3000K color temperature fixtures
- Versions available that can be used to comply with Title 24, JA8 high efficacy light source requirements
- ENERGY STAR® certified, ADA compliant
- 90+ CRI standard
- Maintenance-free, 50,000 hour rated LED life; Dimmable LED models available
- UL or CSA Listed for damp locations to US and Canadian safety standards
- Available in multiple sizes and finishes, providing up to over 3500 lumens

Visit lithonia.com to identify in-stock combinations and choose the perfect LED Vanity to compliment your space.
