

FEATURES & SPECIFICATIONS

INTENDED USE

The LED Mushroom provides an attractive, low-cost, and energy-efficient lighting solution in residential and light commercial applications. Ideal for use in foyers, hallways, bedrooms, closets, offices, utility work areas, stairways and many other areas.

CONSTRUCTION

Popular mushroom shape fixture available in polished brushed nickel housing. White glass diffuser provides widespread, uniform illumination. Three side-mounted thumb screws provide easy access for cleaning.

OPTICS

Produces 1100 lumens at 50,000 hours of life.

ELECTRICAL

Fixture operates at 120 volts, 60Hz. Standard input = 20 watts, 70 lumens per watt.

Actual wattage may differ by +/- 5% when operating at 120V +/- 10%.

Works with most standard incandescent dimmers (see list of approved dimmers).

INSTALLATION

All mounting hardware included.

LISTINGS

UL Certified to US and Canadian safety standards and listed suitable for damp locations.

WARRANTY

5-year limited warranty. This is the only warranty provided and no other statements in this specification sheet create any warranty of any kind. All other express and implied warranties are disclaimed. Complete warranty terms located at:

www.acuitybrands.com/support/warranty/terms-and-conditions

Note: Actual performance may differ as a result of end-user environment and application.

All values are design or typical values, measured under laboratory conditions at 25 °C.

Specifications subject to change without notice.
